

Salta, August 29, 2022

Dear participant, we are close to the opening of the “**Science with LLAMA**” Workshop. The final program, with confirmed invited lectures and oral communications, can be found in the following link: <https://www.llamaobservatory.org/ws2022/program.html>

On Tuesday 6th, after the Public Conference by Prof. Matías Zaldarriaga, it will be hosted the Conference Dinner in Ciudad Güemes restaurant, <https://maps.app.goo.gl/W33YnAgenNGgeyge8>

The Public Conference of Dr. Zaldarriaga "Del Big Bang a las ondas gravitacionales" will be held in the Usina Cultural, which is close to the Conference Dinner.

We thank those participants who would like to let us know the approximate time of arrival to Salta.

Either taxi or remiss can be taken at the airport to downtown Salta, approximately cost 1000 \$. Public bus transportation can be reached in front of the airport (line 8A) for which a SAETA card must be purchased at the airport.

More information on the visit to the LLAMA site and Headquarters in San Antonio de los Cobres will be provided during the conference.
